SkyVista Resort & Casino – Horizon Chapter 1

SkyVista Resort & Casino New Zealand

SkyVista™ | Heritage Hospitality & Responsible Enjoyment

Welcome to **SkyVista Resort & Casino**, a sanctuary where New Zealand's breathtaking natural beauty meets curated luxury, and where each moment is a celebration of serenity, culture, and world-class entertainment.

Nestled between the glacial majesty of the Southern Alps and the mirror-like expanse of **Lake Wakatipu**, SkyVista offers guests a seamless blend of modern design and the ancestral spirit of Aotearoa. Our architecture is inspired by traditional Māori forms and local craftsmanship, with materials drawn from the land — native timber, volcanic stone, and flax textures — to create a space that breathes with warmth, legacy, and light.

At SkyVista, every path leads to discovery. Wake to sunrise over snow-dusted peaks. Begin your day in our **Waiora Spa Sanctuary**, where geothermal therapies, forest aromatics, and indigenous healing practices ground the senses. Recharge with organic, locally sourced fare at **Kōura**, our award-winning lakeside restaurant, or enjoy casual elegance and craft cocktails in the **Ti Kōuka Lounge & Terrace**.

For those drawn to excitement, SkyVista's **24-hour casino floor** offers more than just gaming. Explore New Zealand's premier destination for responsible play, with a refined selection of table games, private high-stakes salons, and over 500 slots. Our **Mana Room**, a members-only VIP gaming suite, offers exclusive service, panoramic lake views, and discreet luxury.

Beyond play, culture thrives. Join us for evening kapa haka performances, guided forest walks, or artisan workshops in partnership with local creators. Our **Aoraki Ballroom** hosts international events, exhibitions, and concerts throughout the year, making SkyVista not just a resort — but a stage for celebration and connection.

Multilingual concierge teams are available 24/7, and every stay is supported by SkyVista's commitment to **sustainable hospitality, inclusive experiences, and community partnerships** throughout Otago and the South Island.

Whether you seek stillness or stimulation, indulgence or inspiration — SkyVista™ welcomes you to a retreat of **thoughtful hospitality, natural elegance**, and the uplifting energy of New Zealand's soul.
